ORDER

TORRI HARVEY,
Defendant.

-----X

Based upon the SDNY policy dated March 5, 2018 favoring early termination where warranted, the factors of 18 U.S.C. § 3583(e)(1), and the record herein, and because of Ms. Harvey's dedicated compliance with supervised release, including, but not limited to, her successful completion of supervision and her steady employment and stable residence during the exceptionally difficult circumstances brought about by the COVID-19 pandemic, the Court finds that an early termination of supervised release effective March 9, 2021 is warranted. The Court finds that Ms. Harvey has conducted herself in an exemplary and law abiding fashion and exceeded the requirements (conditions) of her supervision. See transcript of proceedings held on April 20, 2021 for a complete record.
